## August/September – Volume Six

Hello SMLPSA Membership,

Hello Everyone,

I trust you all had a wonderful summer this year enjoying the lake, family and friendship. We have recently crossed over from our redacted Summer Schedule into the Regular Season Schedule opening at least 28 hours per week for your enjoyment. This year as always, has brought changes to the Club. We had repairs done again to the overhead baffles in the range, and, there were Law Enforcement training seminars, as well as Dept of Criminal Justice training seminars throughout the summer as well as 4-H Youth Camp training. We have had some of our RSO staff fall ill and others step in to cover for those shortfalls. Last years Men's and Ladies Shooting League finished off another successful season, and we send out a huge Thank You to Paul Giammattei and Tracy Scheffling for making that function the success it is. This year, Paul is going to step back and let others take the reins for that program, and we look forward to Tracy Scheffling and Simon Leray managing this years Mens and Ladies League shooting events, and if you have any questions, please feel free to email Tracy at [tracy.scheffling@gmail.com](mailto:tracy.scheffling@gmail.com)

We are also pleased to announce that a new competitive event was organized this past year known as Cops and Cowboys by Ed Groeber of our Club. It has really taken off and members and guests truly enjoy the experience shooting with handgun, rifle and shotgun in 1 on 1 competition. If you would like to participate in the Cops and Cowboys meet, please contact Ed at [edgroebe@juno.com](mailto:edgroebe@juno.com)

I also have some very exciting news for all members. This year – one of our very generous Club Members and benefactors (David Thomas) arranged and sponsored a new Lifetime Member to join our Club, and in doing so, hold training seminars to teach his extraordinary skills for X-Ring shooting with handguns and long guns. I am proud to announce our talented new member, Steve Huff, owner and operator of Accuracy X Firearms in Hardy VA. Steve is a World Class Champion Shooter who has won many matches for both handgun and long gun in major US Competitions that draw the Best of the Best to compete. Steve's team of shooters have garnered numerous awards and trophy's for their expert marksmanship. Steve has agreed to offer training seminars at the John G. Rocovich Jr. Range which we operate, and we will post those events when we have a firm date and time committed from Steve. My guess is it will be in the late fall and winter months. Here is some of the accomplishments of Steve Huff and Accuracy X:

#### About

Accuracy X, Inc. Maker of the worlds finest 1911 pistols and precision bolt rifles.

#### Company Overview

Accuracy X, Inc., a leading source for elite custom 1911 handguns and parts and precision bolt rifles.

#### Awards

Multiple NRA Bianchi Cup Championships

Multiple NRA Bullseye Championships

Multiple CMP Service Pistol Championships

#### Products

Custom 1911 pistols & rifles.

Specialized Firearms Training

Photo: Dustin Pluth

I am sure all of you will enjoy his training and expertise when we hold these events this year.

Lastly, as always, we look forward to everyone enjoying the range and the safe use of the facility, and ask that you all adhere to the 10mph speed limit on campus, and all safety rules at the range. As you know we now allow shotgun and AR platform rifles at the Range and ask that you check with the RSO on the safe use of these types of firearms when there.

Peter Fisetto  
President

# My Favorite New Firearm Product

## Walther PPQ Q4 Tac Price \$680

### FRONT & REAR SIGHTS

- Rapid aiming and target acquisition
- Fiber optic front sights
- Adjustable rear target sights

### THREADED BARREL

- Suppressor ready use

### CUSTOM ACCESSORY RAIL

- Picatinny rail
- Mounts optional flashlight or laser

### QUICK DEFENSE TRIGGER

- Smooth 5.6 lb trigger pull
- Short .4" trigger travel
- .1" trigger reset for fast second shot
- Superb trigger feel aids accuracy

### Q4 TAC TECHNICAL / USAGE

Caliber:	9mm
Barrel Length:	4.6"
Trigger Pull:	5.6 lbs
Capacity:	15 rds, 17 rds
Height:	5.3"
Width:	1.3"

### ERGONOMIC WALTHER GRIP

- Non-slip, cross-directional grip surface
- Better control
- Comfortable shape

### 3 SAFETIES

- Two drop safeties
- Firing pin block for safe carry

# Details

Beauty and legendary SIG SAUER reliability combine in the 1911 Emperor Scorpion Full-Size. Finished with a custom Flat Dark Earth PVD finish, the Emperor Scorpion stands out from the crowd. Extremely durable and wear resistant, the physical vapor deposition is corrosion resistant, and provides a stunning look to Emperor Scorpion variants. Rounding out the look, each Emperor Scorpion is fitted with dark Piranha textured G-10 magwell grips and dark controls. Forward cocking serrations, SIGLITE night sights, and a M1913 accessory rail complete the package.
